## MILESTONES AND ACHIEVEMENTS FOR 2024

This year, we're proud to celebrate some major milestones and achievements:

Frontier Estate Playground Grand Opening – Earlier this year, we unveiled a fantastic new space for families to gather, connect, and enjoy outdoor play. We're delighted with the positive feedback and thrilled that this exciting addition has been well-received. The extra effort has truly been worth it – we're so glad you're enjoying the space!

We are pleased to announce that Frontier Estate has secured a Medical Centre tenant for our Commercial Hub – bringing essential healthcare services closer to home. More information will be available in the New Year. Construction has begun for the Medical Precinct (Block B), in the Commercial hub. Expected completion time is October 2025

Biodiversity continues to thrive in Mahana Reserve, fostering a sanctuary for local flora and fauna. Development is underway at Waiora Reserve, opening a new area for residents to enjoy the outdoors close to home.

Frontier Estate's commitment to supporting the community continues to grow.

This year, we were proud to donate a new yacht to the Kirikiriroa & St Peter's Scout Group, helping young sailors learn new skills and enjoy adventures on the water.

The Scouts joined us at our playground grand opening, hosting a sausage sizzle that helped bring the community together in celebration. We appreciate their involvement and look forward to seeing them at future events.
